### **Background.**

The GO! Durban Academy's mandate is to empower young people in our local communities with the means to change their lives.

Youth are given a platform and access to a world of opportunity through the combinations of active mobility, arts and culture, life skills and educational support.

This eThekweni funded Programme enhances the overall self – confidence of young individuals who are given a safe space within which to explore their skills and talents and be directed into opportunities to develop these by industry experts.

The musical theatre expansion of the Cycle Academy operates in the local communities of Inanda, Kwamashu and KwaDabeka, providing lessons in singing, acting and dance 3 times per week. Students perform in two original community musicals per year, show casing their growth as well as addressing issues of road safety and environment awareness in the local communities
